RUS

FAQs

Frequently Asked Questions

Can I create the cover of the RUS report with other students from my own university or other RUS universities?
Yes, you can. You can carry out the project with other students from universities joining the RUS Network. When you fill in the online form, you will be asked to enter the data of just one person and send us the data of all the other participants via email along with the vector and PDF files (in the email you have to include the name of the person who filled in the form).

Do I have to insert the title on the cover?
No, you don't. Neither a title nor a logo must be entered on the cover. They will be insert by the RUS at a later date.

Can I create the cover of the RUS report with other students not studying at university?
Yes, you can. You can create a cover image with someone not studying at University. However, at least half of the participants must be students at a University joining the RUS network.
The online form must be filled in by a student of a RUS University. Data about other the participants must be sent via mail along with a vector and PDF file (in the email you have to include the name of the person who filled in the form).
